|---|----------|--|-----------|--------------|-------------|
| Product Number: HIL0076071<br>Product Name: Hillyard Sorb-It                      |          | Note: Blank spaces are not permitted. If any item is not applicable, or no information is available, the space must be marked to indicate that.              |           |              |             |
| <b>Section I – Product and Company Information</b>                                |          |  |           |              |             |
| Distributor's Name: Hillyard Industries   |          | Emergency Telephone Number (800)-424-9300 (Only in the event of chemical emergency involving a spill, leak, fire, exposure or accident involving chemicals.) |           |              |             |
| Address: P.O. Box 909   |          | Telephone Number for Information (816) 233-1321<br>(Ext, 8285)   |           |              |             |
| St. Joseph, MO 64501  |          | Date Prepared: 01/01/2010  |           |              |             |
|   |          | Signature of Preparer (optional)   |           |              |             |
| <b>HMIS Rating</b> Health: 1 Flammability: 0 Reactivity: 0 Personal Protection: A |          |  |           |              |             |
| <b>Section II - Hazardous Ingredients/Identity Information</b>                    |          |  |           |              |             |
| Hazardous Components  | CAS #    | OSHA PEL   | ACGIH TLV | Other Limits | %(optional) |
| Fragrance   | No CAS # | N/A  | N/A       | N/A          | N/A         |
| <b>Section III - Physical/Chemical Characteristics</b>                            |          |  |           |              |             |
| Boiling Point   | N/A      | Specific Gravity (H <sub>2</sub> O = 1)  |           | N/A          |             |
| Vapor Pressure (mm Hg.)   | N/A      | Melting Point  |           | N/A          |             |
| Vapor Density (AIR = 1)   | N/A      | Evaporation Rate   |           | N/A          |             |
| Solubility in Water: Insoluble  |          |  |           |              |             |
| Appearance and Odor: Dried clay like chips with various fragrances                |          |  |           |              |             |
| <b>Section IV - Fire and Explosion Hazard Data</b>                                |          |  |           |              |             |
| Flash Point (Method Used): N/A  |          | Flammable Limits   |           | LEL<br>N/A   | UEL<br>N/A  |
| Extinguishing Media: Carbon dioxide (CO <sub>2</sub> ), dry foam, or water        |          |  |           |              |             |
| Special Fire Fighting Procedures: None  |          |  |           |              |             |
| Unusual Fire and Explosion Hazards: None  |          |  |           |              |             |

|  |                               |                     |                           |
|--|-------------------------------|---------------------|---------------------------|
| <b>Section V - Reactivity Data</b>   |                               |                     |                           |
| Stability  | Unstable                      |                     | Conditions to Avoid: None |
|  | Stable                        | X                   |                           |
| Incompatibility (Materials to Avoid): None   |                               |                     |                           |
| Hazardous Decomposition or Byproducts: None  |                               |                     |                           |
| Hazardous Polymerization   | May Occur                     |                     | Conditions to Avoid       |
|  | Will Not Occur                | X                   |                           |
| <b>Section VI - Health Hazard Data</b>   |                               |                     |                           |
| Route(s) of Entry:   | Inhalation: No                | Skin: Yes           | Ingestion: Yes            |
| Health Hazards (Acute and Chronic) Acute - None known<br>Chronic - Prolonged exposure to dust may cause eye, nasal or bronchial irritation.  |                               |                     |                           |
| Carcinogenicity:   | NTP: No                       | IARC Monographs: No | OSHA Regulated: No        |
| No Signs and Symptoms of Exposure: SKIN/EYES: Irritation INGESTION: Difficulty swallowing and gastrointestinal distress  |                               |                     |                           |
| Medical Conditions Generally Aggravated by Exposure: None Known  |                               |                     |                           |
| Emergency and First Aid Procedures: SKIN/EYES: Flush or wash area with water for at least 15 minutes and seek medical attention is irritation persist. INGESTION: Drink 1 – 2 glasses of water and seek medical attention. |                               |                     |                           |
| <b>Section VII - Precautions for Safe Handling and Use</b>   |                               |                     |                           |
| Steps to be Taken in Case Material is Released or Spilled: Sweep up and discard in trash   |                               |                     |                           |
| Waste Disposal Method: Dispose of in accordance with local, state, and federal regulations.  |                               |                     |                           |
| Precautions to be Taken in Handling and Storing: Do not store near heat or open flame.   |                               |                     |                           |
| Other precautions: None  |                               |                     |                           |
| <b>Section IX - Control Measures</b>   |                               |                     |                           |
| Respiratory Protection (Specify Type): None required   |                               |                     |                           |
| Ventilation  | Local Exhaust:                | Adequate            | Special: N/A              |
|  | Mechanical (General):         | Adequate            | Other: N/A                |
| Protective Gloves: None required   | Eye Protection: None required |                     |                           |
| Other Protective Clothing or Equipment: Do not store near heat or open flame.  |                               |                     |                           |
| Work/Hygienic Practices: Wash hands after use.   |                               |                     |                           |
