Health Effects Information

Ingredients and Health Effects Information are taken from the manufacturer's product label and/or the Material Safety Data Sheet (MSDS). Products are not tested and manufacturer's information presented here is not evaluated by DeLima Associates.

MSDS Date:	March 1, 1996		
	Health	Flammability	Reactivity
HMIS RATING	2	1	0

WARNINGS

Causes burns to skin and eyes on contact. Contents under pressure. Harmful if swallowed. Contact will cause burns. Avoid contact with eyes, nose, skin or clothing. Wear long rubber gloves and eye protection. Do not breathe spray mist. Do not take internally. Do not puncture, incinerate, expose to heat or store above 120 degrees F. Keep out of reach of children. First Aid. Eyes: Immediately flush with water for at least 15 minutes. Get medical attention. Skin: Immediately remove rings and contaminated clothing. Wash skin thoroughly with soap and water. Continually flush for 15 minutes. If irritation persists, get medical attention. Internal: Do not induce vomiting. Rinse mouth then drink large amounts of water or milk and call physician immediately. Keep out of reach of children.

ACUTE & CHRONIC HEALTH EFFECTS

Acute Health Effects:

From MSDS

Inhalation: Spray mists may cause some nasal irritation on prolonged exposure. Skin Contact: Product is a primary skin irritant and causes chemical burns on contact. Eye Contact: Causes moderate to severe irritation. May cause permanent damage. Ingestion: May cause corrosive burns to mouth, throat, and stomach.

Chronic Health Effects:

From MSDS

(1) Repeated or prolonged exposure to low concentrations of sodium hydroxide can defat the skin, causing an irritant dermatitis with redness, fissuring, and scaling.

Carcinogenicity:

From MSDS

The product contains no listed carcinogens.

HANDLING & DISPOSAL

Handling: From MSDS

Keep out of reach of children. Product causes burns to skin and eyes on contact; protect with long, rubber gloves and goggles or safety glasses. Harmful if swallowed. Do not breathe spray mist. Use in a well ventilated area.

Avoid contact with acids and aluminum. Not for use on continuous or self-cleaning ovens. Not for exterior oven surfaces such as aluminum or chrome trim or baked enamel. Do not spray on switches, heating elements, light bulb, pilot light, or thermostat. Protect floor and all nearby surfaces with newspapers. Use only as directed on label.

Contents under pressure. Do not use or store near heat, open flames, or direct sunlight. Containers may burst if heated.

Disposal: From MSDS

Do not puncture or incinerate container. Do not put container in home trash compactor. Replace cap, wrap in thick newspaper and discard in trash.
